PROJECT DESCRIPTION /SCOPE:

Hillwood and the Perot Family constructed a headquarters on a six acre site along the scenic Turtle Creek in Uptown Dallas. The 175,000 square foot, 3-story office building consists of office space, and a 3 level parking garage below the building. Amenities included within the office building are a café, fitness facility, conference space and Ross Perot's personal family museum. The building is nestled on a site surrounded by Turtle Creek and Katy Trail.

Services Included:

- Topographic Survey
- Subdivision Plat
- Easement Dedication
- Construction Documents
- Construction Administration
- Record Drawings
